

- C. Devise a recommended plan of action for resolution of Island concerns;
- D. Update Island residents, property owners and business owners regarding issues of concern and the County's responses;
- E. Invite County representatives to participate in regular "town hall" type meetings to discuss Island concerns; and
- F. Forward recommendations and suggested solutions to the appropriate County official(s).

2.61.120 Coordination.

The AICAB shall coordinate all matters relating to the Board's performance of its duties, including administration of the meetings, providing required notice, requesting appointments and reappointments, keeping records of meetings and decisions, documenting the Board's rules of procedure, and forwarding recommendations of the Board to the County Council and Executive.
